dreams!*

Hudson Range

Price List & Specifications

ALL PRICES INCLUDE VAT AT 15%.
PRICES VALID UNTIL 1ST SEPTEMBER 2009.

Aqua Narrowboats offer a top quality, semi-bespoke boat building service at off the peg prices. We understand that customers have differing needs and requirements. Therefore our standard specification allows you the flexibility to move the compartments of the boat around to create a layout to suit you. Whether you want the galley or saloon at the rear, front or centre of the boat the price remains the same. To customise your boat further we also offer an extensive range of options.

50FT = £64,950 57FT = £74,750 60FT = £79,250

ALL PRICES INCLUDE VAT AT 15%

THE LEGAL BIT

For additional piece of mind we are members of the British Marine Federation and use their contract of sale paperwork. This document outlines in detail the obligations of both parties and includes the specification of the boat that you are purchasing together with any options. It also states the stage payments methods and percentages to ensure that you are only paying for the amount of work that has been completed up until that date. Typically our stage payments are:

- £1000.00 to reserve your building slot.
- 10% (less £1000) upon signing the contract.
- 35% upon completion of the steelwork.
- 35% upon installation of the engine, windows, front & rear doors, flooring, sprayfoam,
- first fix electrics and lining.
- 15% upon completion of the galley and bathroom.
- 5% upon acceptance by the purchaser.

All our narrowboats come complete with a CE mark as well as BSS certificate. The owners manual provides full details on the boats equipment and functions including full wiring diagrams. All boats come with a 12 month warranty.
